Re: Genzburg v. Fischer  
07 CV 6070 (SHS)

Dear Judge Stein:

As you are aware this office represents the plaintiffs in the above action. Please accept this letter in response to the letter of defense counsel Shawn P. O'Shaughnessy, received by this office earlier today via fax.

The plaintiff is head of Security for Mr. George Soros and has an extensive travel schedule. The defendants scheduled medical examinations for December 4, 2007 without first checking with my office and the plaintiff was not available. This office immediately sought to reschedule and a Neurological examination is scheduled for Monday December 10, 2007. However the Orthopaedic Surgeon selected by the defendants does not have any availability until January 15, 2008.

The plaintiffs do not feel that any adjournments are necessary at this time and oppose the application seeking further delay. At the last conference I advised Mr. O'Shaughnessy that the plaintiff had been treated solely by a Neurologist for the injuries he sustained in this accident and never treated with an Orthopaedist. I requested that the Ortho examination be cancelled, and I was told that Mr. O'Shaughnessy would let me know. To date, I have not heard from him.

Respectfully,

Myles L. Tintle III
